

Hello fellow campers.

Nighttime temperatures have been creeping into the low 30s in camp, signaling an early onset of cooler temperatures. As such, Vince will be shutting off the water for the season beginning Monday, October 19<sup>th</sup> so he can blow out the lines. Please plan accordingly. The lodge basement bathrooms will remain open 24/7 for water access. As always, please clean up any spills created when filling water jugs.

Have a great Autumn everyone.

Eddie Mallonen

President, Camp Delton Club
