

Hello Camp Delton Club

I just wanted to give you an update on the Camp and the Board Meeting.

The water was shut off on October 19, 2020 and all the scheduled weatherization has been done.

Vince will no longer be picking up leaves after November 19, 2020.

The Board Meeting was held on November 14, 2020. Following are the decisions made by the Board:

- The September 2020 Board Meeting Minutes were approved and published on the webpage.
- The Spectrum changes were approved and we should have the Spectrum up by early December 2020.
- Our new email effective immediately is campoffice@campdelton.com
- The Fall Newsletter will be complete and out later this month.
- The 2021 Budget was approved.

It was a pleasure meeting all of you this fall. Have a safe and healthy winter and holiday season.

Happy Holidays

Carol Rochester
Office Manager
Camp Delton Club
